The Birchwood captivates with a grand two-story Foyer. As you move further, under the architectural elegance of the walkway above, the Foyer gives way to a generous living space, Kitchen, and dining area. The Powder Room and Flex Room find their place at the front of the home, while the spacious first-floor Primary Suite lies towards the rear, boasting a sizable walk-in closet and an opulent en suite bathroom. A well-equipped Laundry Room featuring a walk-in closet and extra cabinet space adds utility to the first floor. The second floor hosts a tastefully designed walkway leading to a loft, three additional bedrooms, and a full bathroom, creating a comfortable and practical living space.
